Privacy Policy

TRENDLANCE INNOVATIONS PRIVATE LIMITED

Platform: FAMEO | Effective Date: May 15, 2026 | Governed under DPDPA 2023 & IT Act 2000

Source: <https://uat.fameo.info/privacy-policy.html>

1. Introduction and Scope

This Privacy Policy governs your access to and use of the mobile and web-based application "**FAMEO**" ("Platform") and related services operated by **TRENDLANCE INNOVATIONS PRIVATE LIMITED**, a company incorporated under the Companies Act, 2013 ("Company", "we", "us", or "our").

It describes how the Platform collects, uses, stores, shares and otherwise processes personal data of individuals who register on, access or use the FAMEO mobile and web interfaces and related services (collectively, the "Services").

This Privacy Policy is designed to comply with the **Information Technology Act, 2000** and rules framed thereunder, and to align with the **Digital Personal Data Protection Act, 2023** and the Digital Personal Data Protection Rules, 2025 ("DPDPA"), including updated requirements on privacy notices, consent, retention and data principal rights.

Important: By creating an account, accessing or using the Services, you acknowledge that you have read and understood this Privacy Policy. If you do not agree, you should not use the Platform.

2. Key Definitions

Core Terms

- **Corporate Affiliate** – Any person or entity which directly or indirectly controls, is controlled by or is under common control with the Company.
- **Data Principal** – The individual to whom the personal data relates (e.g., an influencer using FAMEO).
- **Data Fiduciary** – The person who determines the purpose and means of processing personal data. For FAMEO's own user data, FAMEO acts as the Data Fiduciary.
- **Data Processor** – Any person who processes personal data on behalf of a Data Fiduciary (e.g., hosting, messaging or analytics vendors engaged by FAMEO).
- **Personal Data** – Any data about an identifiable individual that is processed digitally, including name, contact details, account identifiers, location data and online identifiers.

Non-Personal Information includes:

- Geographic location of a User
- Internet Protocol (IP) address
- Telecom/internet service provider details

- Browser type and device information
- Clickstream data and session duration

Sensitive Personal Data includes:

- Passwords
- Financial information (bank account, credit/debit card details)
- Physical, physiological and mental health condition
- Medical data, records and history
- Biometric information

3. Categories of Personal Data We Collect

A. Account, Identification and Contact Information

- Full name, username, internal user ID, referral ID
- Date of birth (for age verification – 18+ only)
- Email address (unique, verified) and mobile number (OTP-verified)

B. Authentication and Security Information

- Password stored in hashed form
- Security and audit logs: sign-ins, account changes, timestamps

C. Profile and Demographic Information

- Gender, city, state, pincode, bio, interests, preferred languages
- Relationship status, height, body type, education, occupation, lifestyle preferences
- Social-media presence: Instagram/YouTube usernames, profile links

D. User-Generated Content and Communications

- Profile photographs, images and videos (stories, posts)
- Chat messages and metadata (sender, receiver, timestamps)

E. Device, Technical and Log Information

- Device identifiers, FCM tokens for push notifications
- IP addresses, inferred or GPS-based location
- Notification logs: type, title, delivery status, read/unread status

F. Mobile Application Permissions

The FAMEO mobile application (built with Flutter, available on Google Play and the Apple App Store) may request the following device permissions, each collected only when necessary for the corresponding feature:

- **Camera:** Taking or uploading profile photos and in-app content
- **Microphone:** Voice messages and live voice/video chat (Elite plan)
- **Photo / Storage:** Selecting media from your device gallery for upload

- **Location (GPS):** Enabling distance-based discovery matching (you may grant approximate or precise location)
- **Push Notifications:** Sending match alerts, message notifications and platform updates
- **Internet / Network Access:** Core application functionality and API communication

You may revoke any permission at any time through your device settings. Revoking certain permissions (e.g., location) may limit associated features.

G. Payment Information

- Razorpay Order ID and Payment Reference (payment_ref) generated at the time of subscription purchase
- Transaction status, amount paid, currency (INR) and subscription duration
- Proration credits applied on plan upgrades

Important: Card numbers, CVV, UPI PINs and net banking credentials are entered directly on Razorpay's PCI-DSS Level 1 compliant payment interface and are **never transmitted to or stored on FAMEO's servers.**

H. Third-Party Sources

When permitted by law, we may collect information from third-party social networks (e.g., nicknames, follower/post counts, email, profile picture) when you use a social account to sign in.

4. Legal Bases and Purposes of Processing

A. Legal Bases under IT Act and DPDPA

- **Consent:** For user-facing features via clear affirmative actions at registration and in-app settings.
- **Legitimate use grounds:** For compliance with law, security, and statutory record-keeping.
- **Contractual necessity:** For core services (matching, messaging, subscription management).

B. Purposes of Processing

- Account creation and authentication
- Profile discovery and matching
- Messaging and collaboration tools
- Subscription management and payments
- Safety, moderation and enforcement
- Service improvement and analytics
- Compliance and legal obligations
- Communications and marketing (with opt-out)

5. Storage and Processing of Information

A. Service Providers and Processors

Category	Provider / Type	Purpose	Data Shared
Cloud hosting & storage	AWS (India region)	Application hosting, database & media storage	Profile/media files, database records
Push notifications	Firebase	Sending in-app and push notifications	User identifiers, device tokens, notification content
Social media verification	Apify or similar	Fetching public Instagram/YouTube profile data	Public profile URLs, usernames, follower counts
Payments	Razorpay (PCI-DSS Level 1 certified)	Processing subscription payments, refunds and payment verification	Order ID, payment reference, transaction amount, currency, status; card/bank instrument data is handled exclusively by Razorpay and is not shared with FAMEO
Mobile distribution	Google Play Store / Apple App Store	App distribution and in-app purchase reporting	Install metadata, device type, app version; governed by each store's respective privacy policy

B. Razorpay Privacy and Security

Payments are processed by **Razorpay Software Private Limited**. When you make a payment on the Platform, you are also subject to Razorpay's Privacy Policy (<https://razorpay.com/privacy/>). The Razorpay SDK integrated into the FAMEO mobile app may collect device fingerprint and fraud-risk signals for payment authentication purposes; this data is processed by Razorpay and governed by their privacy policy.

C. Sharing of Information

Your information is primarily stored in electronic form. We may store, collect and process data in countries other than India to the extent permissible under applicable laws. We enter into agreements with third parties that include appropriate security and cooperation clauses.

D. Legal and Regulatory Disclosures

We may disclose personal data where required by law, pursuant to valid legal process, regulatory request, or to courts and governmental authorities with jurisdiction.

E. Business Transfers

In the event of a merger, acquisition, or sale of assets, user data may be transferred to the acquiring entity subject to continued protection consistent with this Privacy Policy.

6. Data Retention

- **Active accounts:** Retained while your account is active and for a reasonable period thereafter.
- **Deleted accounts:** 30-day grace period, then limited records (audit logs, payment records) retained for 1–3 years for compliance.
- **Chat and content:** Retained for approximately one year, then archived or deleted.
- **Payment records:** Up to seven years as required under financial and tax laws.

Managing Your Privacy Preferences

- View/update account security: *Settings* → *Account*
- Edit personal information: *My Account* → *Edit Information*
- Notification preferences: *My Account* → *Notification Preferences*
- Delete account: *Settings* → *Account* → *Help* → *Delete Account*

7. Your Rights as Data Principal

- **Right to access:** Obtain a summary of your personal data processed by us.
- **Right to correction:** Request correction or completion of inaccurate or incomplete data.
- **Right to erasure:** Request deletion of your personal data and closure of your account.
- **Right to restrict processing:** Restrict processing where you believe it is unlawful.
- **Right to withdraw consent:** Withdraw consent for specific processing operations at any time.
- **Right to grievance redressal:** Raise a complaint with our Grievance Officer and escalate to the Data Protection Board of India if dissatisfied.

We will respond to rights requests within timelines prescribed under applicable law (currently up to **90 days** for grievance redressal under the DPDPA framework).

8. Children and Age Restrictions

FAMEO is intended only for individuals who are **18 years of age or older**. We collect date of birth at registration to support age verification. If we become aware that a minor has provided personal data, we will delete the account and associated data, subject to any legal retention obligations.

9. Security Measures

A. Platform Security Safeguards

- Strong password requirements and bcrypt-based password hashing
- JWT-based authentication and role-based access control (RBAC)
- Security headers: CSP, XSS protection, HSTS
- CORS restrictions and rate-limiting on sensitive endpoints
- SSL/TLS encryption for all data in transit
- Comprehensive audit trails of user and admin actions

B. What You Can Do

Use a unique, strong password. Never share your password or verification codes. Sign out after each session on shared devices. Notify us immediately of any unauthorized account access.

Note: No transmission over the internet is 100% secure. While we strive to protect your data, we cannot guarantee absolute security of information transmitted to us.

10. Cookies and Tracking Technologies

When you interact with our Services, we and our partners use cookies to grant access, recognize you, customize your experience, serve interest-based advertising, perform analytics, and promote trust and safety.

Certain features of our Services are only available through the use of cookies. If you disable or decline cookies, your use of the Platform may be limited.

Do Not Track: Some web browsers support DNT signals. Because many of our services require tracking data to function, we do not respond to DNT settings.

For full details, please review our Cookie Policy (included in Part 2 of this document).

11. How to Exercise Your Rights & Contact Us

If you have any questions about this Privacy Policy or wish to exercise your data protection rights, please contact us. Your request should be made in writing.

For payment-related disputes or data queries related to Razorpay transactions, please also contact **Razorpay** at support@razorpay.com or visit razorpay.com/privacy.

12. Changes to This Privacy Policy

We may update this Privacy Policy from time to time to reflect changes in law, technology or our Services. Material changes will be communicated through in-app notifications, email or prominent notices on the Platform.

Your continued use of the Services after the effective date of any revised Privacy Policy constitutes your acknowledgement of the updated terms.

PART 2

Cookie Policy

TRENDLANCE INNOVATIONS PRIVATE LIMITED

Platform: FAMEO | Last Updated: May 2026

Source: <https://uat.fameo.info/cookie-policy.html>

I. What Are Cookies, Web Beacons & Similar Technologies?

When you visit or interact with our sites, services, applications, tools or messages, we or our authorized service providers may use cookies, web beacons, and other similar technologies. These allow our services to store relevant information in your browser or device.

A. Cookies

Small text files placed in the memory of your browser or device when you visit a website or view a message. Types include:

- **Session cookies** – Expire at the end of your browser session. Remain on your device only for the duration of the session.
- **Persistent cookies** – Stored in between browser sessions, allowing us to remember your preferences or actions across multiple visits.
- **First-party cookies** – Set by the FAMEO site you are visiting.
- **Third-party cookies** – Set by third-party sites separate from the site you are visiting.

B. Web Beacons

Small graphic images (also known as "pixel tags" or "clear GIFs") that may be included on our sites, services and tools, typically working in conjunction with cookies to identify users and user behaviour.

C. Similar Technologies

Technologies that store information in your browser or device utilizing local shared objects or local storage and other web application software methods. These may operate across all your browsers and may require management directly through your installed applications or device settings.

We may use the terms "cookies" or "similar technologies" interchangeably to refer to all technologies that store data in your browser or device or help us identify you.

II. What Information Do Cookies Collect?

- **Technical Usage Data:** Response time for pages/screens, download errors, date and time of access, IP address, navigation paths, features accessed, statistics on how content is loaded or viewed, pages visited prior to accessing the Platform.
- **Device Information:** Language settings, IP address, browser ID, device ID, cookie or identifier preferences, time zone, operating system, platform, screen resolution and similar device configuration data.
- **Location Information:** Approximate location from IP-based geolocation (latitude and longitude), and precise location through GPS or similar technologies where you have expressly

permitted such access through your device settings.

III. Why We Use Cookies

Category	Purpose
1. Essential	Necessary for the operation of our app and services. Required to identify irregular behaviour and prevent fraud.
2. Performance	Assess the performance of our website and applications to understand how visitors use our services.
3. Functionality	Offer enhanced functionality including identifying you when you sign in and keeping track of your preferences.
4. Marketing	Deliver content including targeted advertising and remarketing on our app or on third-party sites.

Depending on your location, we may require your **consent** for cookies in categories 2 through 4. You can withdraw consent through your browser settings.

IV. Your Choices

A. Browser Settings

Your browser may provide options to refuse some or all non-essential cookies. You may also remove cookies from your browser at any time. Please refer to your browser's help documentation for instructions.

B. Device Identifier Settings

Your device operating system may let you opt out from having device identifiers used for interest-based advertising. Refer to the instructions provided by your mobile device's manufacturer, typically available under the "settings" function.

If your mobile device offers an uninstall process, you can stop us from collecting information through the app by uninstalling FAMEO.

C. Website Settings

You can customise which cookies may be set by adjusting your settings on our sites. Manage your cookie preferences for FAMEO by visiting our **Cookie Settings page** in the App.

Please note: Certain aspects and features of our Services are only available through the use of cookies. If you choose to disable cookies, your use of the Platform may be limited or not possible.

V. Use by Authorised Service Providers

We may work with third-party companies — commonly known as service providers — who are authorised to place third-party cookies, web beacons, or similar technologies on our sites or in our services and tools. These service providers help us provide a better, faster, and safer experience.

These service providers may use these technologies to help us deliver our own content and advertising, and to compile site metrics and analytics. **We do not permit any of these service providers to collect your personal information on our sites for their own purposes.**

We may use third-party advertising networks and exchanges to serve you advertisements. These third-party providers may use cookies or similar technologies to collect information about your visit to our site and elsewhere on the Internet in order to provide you with more relevant advertising.

If you believe a listing or third-party content might be collecting personal information or using tracking technologies on one of our sites, please report it to our **Grievance Officer**.

VI. Mobile Application Tracking Technologies (Flutter App)

The FAMEO mobile application is built with **Flutter** and runs natively on Android and iOS. Unlike web browsers, native mobile apps do not use traditional browser cookies. Instead, the following technologies are used to store data, identify your device, and deliver features:

A. Local Storage and Shared Preferences

The app uses Flutter's **SharedPreferences** and local storage APIs to persist session tokens, user preferences, notification settings and UI state between app launches. This data is stored locally on your device and is not accessible to third parties.

B. Device Identifiers

- **Firebase Cloud Messaging (FCM) Token:** A unique device token generated by Firebase and stored on our servers to deliver push notifications. This token may change when you reinstall the app or clear app data.
- **Device ID / Android Advertising ID / iOS IDFA:** These identifiers may be used by integrated SDKs (Firebase, Razorpay) for analytics and fraud prevention. You may limit ad tracking through your device's privacy settings (*Android: Settings → Google → Ads; iOS: Settings → Privacy → Tracking*).

C. Razorpay SDK — Device Fingerprinting

The **Razorpay Flutter SDK** may collect device fingerprint data (such as device model, OS version, network type and IP address) for the purposes of payment fraud prevention and authentication. This data is processed exclusively by Razorpay on their PCI-DSS Level 1 certified infrastructure and is governed by Razorpay's Privacy Policy (<https://razorpay.com/privacy/>).

D. Firebase Analytics and Crashlytics

Firestore SDKs integrated in the app may collect anonymised usage statistics (screen views, feature interactions, crash reports) to help us improve app performance and stability. Firebase Analytics data is governed by Google's Privacy Policy (<https://policies.google.com/privacy>). You may opt out of Firebase Analytics by enabling *Limit Ad Tracking* on your device or by contacting

US.

E. Managing Mobile App Tracking

- **Uninstall:** Uninstalling the FAMEO app removes all locally stored data from your device. Your account data on our servers is unaffected; to delete account data, use *Settings → Account → Delete Account*.
- **Limit Ad Tracking (iOS):** Go to *Settings → Privacy & Security → Tracking* and disable "Allow Apps to Request to Track".
- **Opt-out of Personalised Ads (Android):** Go to *Settings → Google → Ads → Delete advertising ID*.
- **Revoke Permissions:** Device permissions (location, camera, notifications) can be revoked individually via your device's app settings at any time.

Because the FAMEO mobile app does not use browser cookies, standard browser cookie opt-out tools do not apply to the mobile app. Use the device-level controls described above to manage mobile tracking preferences.

PART 3

Terms of Use

TRENDLANCE INNOVATIONS PRIVATE LIMITED

Platform: FAMEO | Effective Date: May 15, 2026 | Governed under IT Act 2000 & DPDPA 2023

Source: <https://uat.fameo.info/terms-and-conditions.html>

1. Introduction and Applicability

These Terms of Use ("Terms") govern your access to and use of the mobile and web-based application "**FAMEO**" and related services operated by **TRENDLANCE INNOVATIONS PRIVATE LIMITED**, a company incorporated under the Companies Act, 2013 ("Company", "we", "us", or "our").

FAMEO is a social networking platform focused on social media influencers, enabling profile discovery, matching, messaging, and content sharing for influencers active on platforms including Instagram and YouTube.

These Terms are published in accordance with the **Information Technology Act, 2000**, the **Digital Personal Data Protection Act, 2023**, the IT (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021 and DPDP Rules, 2025.

By downloading, installing, accessing, or using FAMEO, you acknowledge that you have read, understood and agree to be bound by these Terms.

2. Definitions

- **Account** – A unique account created by or for you on the Platform.
- **Applicable Law** – All laws, ordinances, statutes, rules and regulations applicable in India, including the IT Act 2000 and DPDPA 2023.
- **Content** – Any content, data, information, text, images, video or other materials available on or through the Platform.
- **Escrow Account** – A bank or wallet account maintained with a designated payment intermediary for holding user funds.
- **Influencer** – Any user who uses the Platform to create, publish, offer or collaborate on creative or social content.
- **Platform** – The FAMEO mobile application, website and all related digital interfaces.
- **Services** – All services provided through or in connection with the Platform.
- **User / You / Your** – Any natural person or legal entity that accesses or uses the Platform.
- **User Content** – Any content that a User uploads, publishes, submits or otherwise makes available on the Platform.

3. Description of FAMEO and Nature of Role

FAMEO is a digital platform that connects influencers with each other and with brands or audiences to enable discovery, networking, collaboration and various commercial or non-commercial engagements.

The Platform operates as a **facilitator and technology intermediary**. It does not create User Content, does not employ influencers, and does not become a party to any agreement or transaction between users.

4. Acceptance of Terms and Eligibility

Acceptance

By clicking "accept", "sign up", or "register", or by accessing any part of the Platform, you agree to be bound by these Terms.

Eligibility - Individuals

- The Platform is intended solely for users who are **18 years of age or older**.
- You must provide accurate registration information including a verified email and mobile number.
- You must be able to form a legally binding contract under the Indian Contract Act, 1872.

Eligibility - Entities

Where the user is an entity, it must be duly incorporated or validly existing under Applicable Law and must not be suspended, insolvent or otherwise restricted from entering into contracts.

Restrictions

You shall not use the Platform if: (a) you are barred under Applicable Law; (b) your Account was previously terminated by us for breach; or (c) you are in a jurisdiction where similar services are prohibited by law.

5. Account Registration and Security

- **Registration:** You must provide accurate, current and complete information and keep it updated.
- **Verification:** We may require identity, age, KYC or other verification at any time.
- **Credentials:** You are responsible for maintaining the confidentiality of your login credentials. All activities under your Account are deemed authorised by you.
- **Unauthorised Use:** Notify us immediately of any unauthorised access or security breach.
- **Multiple Accounts:** You shall not create multiple Accounts without our prior consent, nor transfer your Account to any third party.

6. Subscription Tiers and Features

FAMEO operates on a tiered subscription model:

- **Free Plan (Filter Tier 0):** Basic Platform access with core discovery and limited daily interactions.
- **Popular Plan (Filter Tier 2):** Enhanced privacy and discovery controls including incognito mode and profile visibility settings.
- **Elite Plan (Filter Tier 3):** All Popular features plus ghost mode, hide last seen, unlimited swipes and priority placement.

Privacy controls may only be available in specific tiers. Your subscription tier determines which settings you can configure.

7. Messaging, Visibility, and Safety Controls

The Platform provides messaging and visibility controls including: restriction of who can message you, read receipt controls, profile visibility, online status controls, incognito browsing, and ghost mode — depending on your subscription tier.

A bidirectional blocking system removes blocked users from each other's discovery feeds. A reporting system routes complaints to an admin review queue. No moderation system is perfect; use reporting and blocking features responsibly.

8. User-Generated Content, Ownership, and Licence

Content Ownership

You retain ownership of any intellectual property rights you hold in your User Content.

Licence to the Company

By submitting User Content, you grant the Company a **worldwide, non-exclusive, royalty-free, transferable and sublicensable licence** to host, store, reproduce, modify (for formatting), distribute and publicly display such content in connection with operating and providing the Platform.

Your Responsibility

You are solely responsible for your User Content and for ensuring it does not infringe any third-party rights and complies with applicable law.

Warranties

- You own the User Content or have obtained all necessary licences and permissions.
- Your User Content does not infringe any intellectual property, privacy or other rights of any third party.

9. Licence to Use the Platform

Subject to your compliance with these Terms, we grant you a **limited, personal, non-exclusive, non-transferable, revocable licence** to download, install and use the Platform on compatible devices for permitted purposes.

Restrictions — You shall not:

- Copy, modify, adapt or create derivative works of the Platform
- Reverse engineer, decompile or disassemble the Platform
- Remove or obscure any proprietary notices
- Use automated means (bots, crawlers) to access the Platform without written permission

Prohibited Conduct

You shall not host, upload or share content that is defamatory, obscene, invasive of privacy, infringing of intellectual property rights, contains malware, is patently false, impersonates others, or is otherwise illegal or contrary to our community guidelines.

9B. Mobile Application, Permissions and Third-Party SDKs

Flutter Mobile Application

The FAMEO mobile application is built using the **Flutter** framework and is available for download on the **Google Play Store** (Android) and the **Apple App Store** (iOS). By downloading and installing the app, you also agree to the terms of the applicable app store from which you download the app.

Device Permissions

The FAMEO app may request certain device permissions to enable specific features. You will be prompted by your device's operating system before any sensitive permission is granted. Permissions include:

- **Camera:** Required to take and upload profile photos and in-app content
- **Microphone:** Required for voice messages and voice/video chat (Elite plan features)
- **Photo Library / Storage:** Required to select and upload media from your device
- **Location:** Required for distance-based profile discovery; you may grant approximate or precise location access
- **Push Notifications:** Required to receive match alerts, messages and platform updates

You may revoke any permission at any time through your device settings. Withdrawing a permission may disable associated features on the Platform.

Third-Party SDKs Integrated in the Mobile App

SDK	Provider	Purpose	Platform
Razorpay Flutter SDK	Razorpay Software Private Limited	In-app payment checkout for subscription purchases	Android only

SDK	Provider	Purpose	Platform
Firebase (FCM)	Google LLC	Push notifications and device token management	Android & iOS
Firebase Crashlytics	Google LLC	Crash reporting and stability monitoring	Android & iOS

Each SDK operates under its own privacy policy and terms. By using the Platform, you acknowledge that these SDKs may collect limited technical data as described in their respective policies.

Razorpay SDK (Android only): The Razorpay Flutter SDK renders an in-app payment sheet on Android devices. Card/UPI/wallet credentials are entered and processed by Razorpay directly on their PCI-DSS Level 1 certified infrastructure. FAMEO does not receive, store or process any payment instrument credentials. iOS uses Apple's native In-App Purchase system instead.

10. Intellectual Property in the Platform

The Platform and all FAMEO Materials (software, source code, databases, designs, logos, trademarks) are owned by or validly licensed to Trendlane Innovations and protected by applicable intellectual property laws.

Notice-and-Takedown

The Company operates a structured notice-and-takedown mechanism for alleged IP infringement. Complaints may be submitted to the Grievance Officer with: identification of the infringing content, proof of rights ownership, contact information, and a statement of good-faith belief that the use is unauthorised.

Upon receipt of a complete complaint, the Company will remove or disable access to specified content within the timeframes required by the IT (Intermediary Guidelines) Rules, 2021, including the 36-hour takedown timeline where applicable.

11. Payment Processing and Subscriptions

Payment Gateway — Razorpay (For Android)

Subscription payments on the **Android version** of the Platform are processed by **Razorpay Software Private Limited** via the **Razorpay Flutter SDK**. By making a payment on Android, you also agree to Razorpay's Terms of Service (<https://razorpay.com/terms/>). FAMEO does not store card numbers, CVV codes, UPI PINs or net banking credentials; all such data is handled exclusively on Razorpay's PCI-DSS Level 1 certified infrastructure.

iOS Payments: Subscription purchases on the iOS version of the Platform are processed exclusively through Apple's In-App Purchase system and are governed by Apple's terms. Razorpay is not used for iOS transactions.

Subscription Payments

Paid subscriptions (Popular and Elite) are processed as follows:

- **Android:** Payments are initiated through the Razorpay payment checkout. A Razorpay Order ID and a payment reference (*payment_ref*) are generated for each transaction and stored by FAMEO for transaction records and support purposes.
- **iOS:** Payments are processed through Apple's In-App Purchase system. Transaction receipts are verified with Apple's servers and subscription records are maintained in accordance with Apple's guidelines.

Auto-Renewal

Subscriptions are set to **auto-renew** by default. You will receive an in-app notification and/or email at least **24 hours before** any auto-renewal charge. You may disable auto-renewal at any time via *Settings* → *Subscription* → *Manage Subscription*. Cancelling auto-renewal does not immediately terminate your subscription; you will retain access until the end of the current billing period.

Refund Policy

Refunds, where applicable, are processed as follows:

- **Android:** Refunds are processed through Razorpay back to the original payment method. Typical refund timelines are **5-7 business days** depending on your bank or card issuer.
- **iOS:** Refunds are subject to Apple's refund policy. To request a refund for an iOS subscription, you must contact Apple directly through your App Store account or visit reportaproblem.apple.com.

Subscription fees are generally non-refundable once the billing period has commenced, except where required by applicable law or at the Company's sole discretion.

Proration on Plan Upgrades

When you upgrade your subscription plan, the unused portion of your current plan (calculated on a daily-rate basis) is applied as a proration credit against the new plan price. The net charge due after applying the credit is processed through the applicable payment system (Razorpay for Android, Apple In-App Purchase for iOS).

Escrow-Facilitated Transactions

Where users agree to exchange services (e.g., collaboration between influencers), the Platform may enable deposit of consideration into a dedicated Escrow Facility. Funds are held separately from the Company's operational funds and released upon confirmation of service completion.

No Platform Liability for Inter-User Disputes

- The Company is not a party to any contract between users
- The Company does not arbitrate or resolve disputes between users
- The Company shall not be liable for any loss arising from user-to-user engagements

Taxes

You are solely responsible for all applicable taxes, duties and governmental charges (including GST, TDS and income tax) arising from your use of the Platform or income received from collaborations.

12. Data Protection and Privacy

We collect and process personal data including contact details, device identifiers, usage data and payment-related information. By using the Platform, you consent to the collection, use, storage and processing of your information in accordance with these Terms and our Privacy Policy (included in Part 1 of this document).

We implement reasonable security practices and technical/organisational measures to protect personal data from unauthorised access or disclosure.

13. Confidentiality

You shall keep confidential and not disclose to any third party any non-public information relating to the Platform, the Company or other users obtained through your use of the Platform, except as required by law.

14. Third-Party Content, Services and Advertising

The Platform may provide access to third-party content, websites, applications or services. We do not own or control such materials and are not responsible for their accuracy, legality or availability. Your use of Third-Party Materials is at your sole risk.

Any dealings between you and third parties (advertisers, brands) are solely between you and such third party. We shall not be responsible for any loss resulting from such dealings.

15. Representations, Warranties and Disclaimers

The Platform and Services are provided on an **"as is" and "as available"** basis without any warranties of any kind, whether express or implied, including warranties of merchantability, fitness for a particular purpose, or non-infringement.

We do not warrant that the Platform will be uninterrupted, timely, secure or error-free, or that any defects will be corrected.

16. Ranking, Recommendations and Platform Algorithms

The Platform may display or rank influencers, collaborations or content based on factors including user activity, engagement, relevance, ratings, recency and compliance history. No specific placement, visibility or discovery outcome is promised or guaranteed. We may modify or discontinue ranking features at any time.

17. Communications, Notifications and Electronic Records

You consent to receive communications from us electronically via the Platform interface, in-app notifications, email, SMS or other electronic means. All agreements, notices and disclosures provided electronically shall satisfy any legal requirement that such communications be in writing.

18. Relationship of the Parties

Nothing in these Terms creates a partnership, joint venture, agency, employment or fiduciary relationship between you and the Company. Each user acts as an independent contractor vis-à-vis other users.

19. Indemnity and Limitation of Liability

You agree to indemnify and hold harmless the Company, its affiliates and their respective officers, directors and employees from and against any claims, damages, losses, liabilities, costs and expenses arising out of: (a) your use of the Platform; (b) your breach of these Terms; (c) your User Content; or (d) any engagement or transaction between you and any other user.

Liability Cap: To the maximum extent permitted by law, the aggregate liability of the Company shall be limited to **INR 1,000 (Rupees One Thousand only)**, excluding any obligation to remit duly collected user funds.

In no event shall the Company be liable for any indirect, consequential, incidental, special or punitive damages, or any loss of profits, business, goodwill or data.

20. Termination and Consequences

- **By You:** You may terminate these Terms at any time by deleting your Account and ceasing all use of the Platform. Deleting the app from your device will not by itself delete your Account.
- **By Us:** We may suspend, restrict or terminate your Account at any time and at our sole discretion, including where you have breached these Terms or any law.
- **Effect:** On termination, your right to use the Platform shall cease. Provisions relating to intellectual property, confidentiality, indemnity, limitation of liability, governing law and dispute resolution shall survive termination.

21. Grievance Redressal, Complaints and Takedown

In accordance with the IT (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021, we have appointed a **Grievance Officer** to address user complaints and grievances.

Grievance Officer Details

Name: Nukala Venkata Nagi Reddy
Email: nagireddynukala@trendlanceinnovations.com
Contact: +91 9972058507

Response timeline: As per IT Rules 2021

Any person aggrieved by Content on the Platform may lodge a complaint with the Grievance Officer, providing: their interest, details of the impugned Content, nature of the grievance, supporting documents and contact details.

The Company will acknowledge complaints within 24 hours and endeavor to resolve them within the timelines prescribed under applicable law.

22. Modifications

We reserve the right to update, modify or suspend any part of the Platform or these Terms at any time. Revised Terms will be effective from the date of posting. Your continued access after changes come into effect constitutes your acceptance of the revised Terms.

23. Force Majeure

We shall not be liable for any failure or delay in performance caused by events beyond our reasonable control, including acts of God, acts of government, war, riots, strikes, pandemic, network failures, or acts of third parties such as hacking, data theft or fraud.

24. Governing Law and Dispute Resolution

Governing Law

These Terms shall be governed by and construed in accordance with the **laws of India**, without regard to conflict of law principles.

Jurisdiction

Subject to the arbitration clause, the courts at **Ameenpur, Sangareddy, Hyderabad, Telangana** shall have exclusive jurisdiction for all legal disputes arising out of or in connection with these Terms.

Negotiations

Parties shall first attempt to resolve any dispute through good-faith negotiations for a period of **15 days** from the date of written notice of the dispute.

Arbitration

Unresolved disputes shall be referred to arbitration under the Arbitration and Conciliation Act, 1996 before a sole arbitrator. The seat and venue of arbitration shall be **Ameenpur, Sangareddy, Hyderabad, Telangana (502032)** and the language shall be English. The arbitral award shall be final and binding.

Registered Office Address:

TRENDLANCE INNOVATIONS PRIVATE LIMITED

5-11/100/144, Shankar Green Homes,

Ameenpur, Sangareddy, Hyderabad, Telangana - 502032

25. Miscellaneous

- **Severability:** If any provision is held invalid or unenforceable, the remainder shall continue in full force and effect.
- **No Waiver:** Any failure or delay in exercising any right shall not constitute a waiver thereof.
- **Assignment:** You may not assign your rights or obligations without our prior written consent. We may assign our rights in connection with any reorganisation or transfer of business.
- **Entire Agreement:** These Terms, together with the Privacy Policy and other referenced policies, constitute the entire agreement between you and the Company.
