This policy explains how cancellations and refunds work for Fameo memberships (subscriptions) and for physical products purchased through our store. By subscribing to a plan or placing an order, you agree to the terms below.

01. Membership Subscriptions

Recurring billing

Fameo paid memberships (Pro, Popular, Elite) are billed on an **automatic recurring basis** through Razorpay. When you subscribe, you authorise us to charge your selected payment method at the start of each billing cycle (for example, every month) until you cancel. The applicable amount and billing frequency are shown to you at checkout before you confirm.

No refunds on subscription payments

Membership fees are non-refundable. We do not provide refunds or credits for partially used billing periods, unused features, or amounts already charged.

Instead of refunds, you can **cancel at any time**. When you cancel, your membership stays active until the end of the billing period you have already paid for, and you will not be charged again.

How to cancel

You can cancel your membership yourself at any time:

- Go to **Account → Subscription**.
- Select **Cancel subscription**.
- Choose **"At cycle end"** to keep access until your current period ends and stop all future charges, or **"Cancel now"** to end your membership immediately.

Cancelling stops future auto-debits. If you choose "Cancel now," access ends right away and no refund is issued for the remainder of the period.

Exceptions

We may, at our sole discretion, issue a refund in cases of a **duplicate charge**, a **technical billing error on our side**, or where a refund is **required by applicable law**. To request a review, contact us within **7 days** of the charge at support@fameo.com with your registered email and the payment reference.

Failed or disputed auto-debits

If a scheduled auto-debit fails, we may retry the charge as permitted by Razorpay and your bank. If payment cannot be collected, your membership may be paused or downgraded to the free tier until payment succeeds.

02. Physical Products & Store Orders

Physical products purchased through the Fameo store may be returned within a limited window, subject to the conditions below.

Return window

You may request a return within **14 days** of delivery (the "return window"). Requests made after this window may not be accepted.

Conditions for return

- The item must be **unused, unworn, and in its original condition** with all tags and packaging intact.
- Proof of purchase (order number or receipt) is required.
- Certain items may be **non-returnable** for hygiene, safety, or customisation reasons (for example, personalised or digital goods).

Damaged, defective, or wrong items

If you receive an item that is damaged, defective, or not what you ordered, contact us within **7 days** of delivery with photos and your order number. We will arrange a replacement or refund at no additional cost to you.

How refunds are processed

Once your returned item is received and inspected, we will notify you of the outcome. Approved refunds are issued to your **original payment method** via Razorpay and typically reflect within **5-10 business days**, depending on your bank. Original shipping charges may be non-refundable, and return shipping costs may be borne by you unless the item was damaged, defective, or incorrect.

How to start a return

Email support@fameo.com or visit **Account → My Orders** to raise a return request. Please include your order number and the reason for the return.

03. General

- All amounts are in **Indian Rupees (INR)** unless stated otherwise.
- Refunds, where applicable, are made only to the original payment method.
- We reserve the right to refuse a refund or return that does not meet the conditions in this policy or that we reasonably believe is fraudulent or abusive.
- We may update this policy from time to time. The version in effect at the time of your purchase applies to that purchase.
